

## Myofascial Release Therapy Seminars

### Policies on registration, deadlines, cancellations and deposits

1. We register participants in seminars by postal mail, phone and secure web site. The charges are not made on-line, but credit card numbers are received and run through our own credit card terminal.
2. No deadline for registration, but a charge is added in the last two weeks prior to the seminar.
3. Cancellations are granted before two weeks before the seminar, with an administrative charge for processing the registration and refund. For a cancellation in the two weeks prior to the seminar, an equivalent credit is given for any future seminar. Some flexibility due to extenuating circumstances. Days missed during the seminar are assigned credit for a future seminar. Full refund for any cancellation by us. A refund is made by check from us or a credit card reimbursement.
4. Deposits are not required, but accepted.
5. Registrations may be made without a fee being paid; our preference is that a credit card # be given with a date on which it may be run.
